

Thorncrest Dental Opens New Modern Clinic in Etobicoke to Provide Quality Dental Care

Etobicoke, ON — May 1st, 2024— Thorncrest Dental is proud to announce the opening of its new modern dental clinic, conveniently located at Unit 7A, 1500 Islington Avenue, Etobicoke. This modern dental facility is dedicated to offering exceptional dental care, utilizing the latest advancements in dental technology to ensure every patient receives the best possible treatment in a comfortable and welcoming environment.

Bringing Advanced Dental Care to Etobicoke

The new Thorncrest Dental clinic is equipped with the most modern dental technologies and amenities, designed to enhance patient experience and treatment outcomes. "Our goal is to provide our patients with high-quality dental care using the most advanced dental technology available today," said Dr. Max Dawabsheh, founder of Thorncrest Dental. "We believe that our investment in modern equipment and a comfortable clinic environment will make a significant difference in the dental health and overall satisfaction of our patients."

Services Offered

Thorncrest Dental offers a full range of dental services including preventive care, cosmetic dentistry, restorative treatments, and emergency dental services. Each service is tailored to meet the unique needs of each patient, from routine cleanings and fillings to advanced procedures like dental implants and veneers. The clinic also specializes in pediatric dentistry, making it a family-friendly choice for all ages.

Patient-Centered Care in a Modern Setting

The clinic design reflects a commitment to patient comfort and stress-free visits. From the reception area to the treatment rooms, every space in Thorncrest Dental has been carefully crafted to create a calm and relaxing atmosphere. "We want our patients to feel at ease from the moment they step into our clinic," added Dr. [Dentist's Name]. "Our friendly staff are trained to provide personalized care and to ensure that every visit is as comfortable as possible."

Community Involvement and Commitment

Thorncrest Dental is not just a healthcare provider but also a community partner. The clinic plans to engage with the local community through various initiatives, including educational programs, health fairs, and partnerships

with local schools to promote dental health awareness. "We are excited to become an integral part of the Etobicoke community and to contribute positively to its health and wellbeing," stated Dr. Max Dawabsheh
